# Safety Precautions

## Students must wear mask

- We recommend they wear one and have a spare in their backpack in case one gets soiled or misplaced.
- We also recommend bringing a **water bottle** to eliminate the use of water fountains to drink from. They can refill their bottles at the fountains.
- We will have one way hallways throughout the school.
- We will be reducing the number of students at any given location.
- We have also increased sanitation.
- IF YOU HAVE FURTHER QUESTIONS ON THIS, PLEASE CONTACT ADMINISTRATION. There will be a FAQ for parents on our school's website.
